

Please stay tuned to the website for upcoming information regarding this ensemble's rehearsal schedule. What I can tell you is that pit rehearsal will be Thursday evening and battery rehearsal will be Friday evening. This will not start next week, however it will begin the following week (4/15 & 4/16). I am still talking with Mr. McNulty to insure that our time doesn't interfere with other high school scheduling.

We will be rehearsing music to be played at the percussion concert, which is May 17. More specific details regarding the concert will also be coming soon.

Snareline members need to purchase a pair of Innovative Percussion FS-PR.  
Quadline members need to purchase a pair of Innovative Percussion FT-1AH.

These sticks and mallets can be purchased online at:

lonestarpercussion.com  
steveweissmusic.com  
columbuspercussion.com

Again, please stay tuned for more information regarding rehearsal specifics.

Thank you.

Corey Gilmore  
Percussion Coordinator
